WELCOME MESSAGE

FROM
MR. VIKASH KUMAR
CHAIRMAN, BRIGHT GROUP

Dear Valued Customers and Partners,

I am delighted to extend a warm welcome to you on behalf of **BRIGHT GROUP**.

As the Chairman, I take immense pride in presenting our company, its products, and our unwavering vision for the future.

At **BRIGHT GROUP**, we are more than just a business; we are a symbol of innovation, quality, and customer-centricity. Our commitment to providing superior quality products has been the cornerstone of our success. We understand that our customers deserve nothing but the best, and we continually strive to exceed your expectations.

Our products are a testament to our dedication to quality. Each item in our portfolio reflects the passion, expertise, and meticulous craftsmanship of our team. From concept to creation, we leave no stone unturned to ensure that you receive products that are not just exceptional but transformative.

Our vision is simple yet powerful: to be at the forefront of innovation, delivering solutions that make a difference in your lives and your businesses. We aspire to lead, not just in terms of market share, but in setting new standards for excellence and sustainability.

As we move forward, we are committed to maintaining the highest levels of integrity, ethics, and sustainability. We believe that business success goes hand in hand with responsible corporate citizenship. We strive to make a positive impact on our communities, the environment, and society as a whole.

We are excited about the journey ahead, and we invite you to be a part of it. Together, we can create a future filled with innovation, quality, and enduring partnerships.

Thank you for choosing **BRIGHT GROUP**, and we look forward to serving you with products that reflect our vision and dedication.

Warm regards,

Mr. Vikash Kr

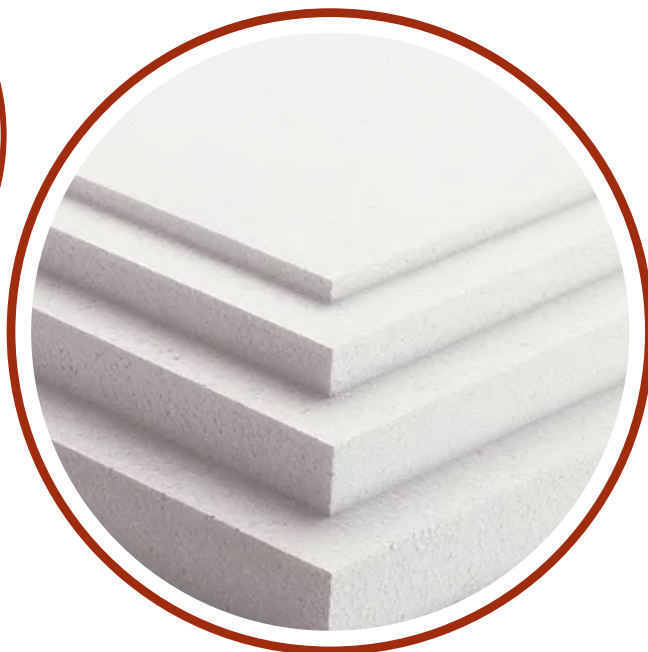

Chairman, BRIGHT GROUP

OUR PRODUCTS

- **THERMOCOL SHEETS & BALLS**

Welcome to our line of **Thermocol products**! We take pride in offering a wide range of high-quality Thermocol sheets and balls that are perfect for all your packaging, insulation, and crafting needs. Our Thermocol products are made from expanded polystyrene (EPS) foam, which is known for its excellent thermal insulation, cushioning, and lightweight properties. Whether you're looking to protect fragile items during shipping, keep food and beverages cool, or create stunning DIY projects, our Thermocol products are the perfect solution. Browse our selection today to find the right product for your needs!

OUR PRODUCTS

- **PET JARS**

PET jars are an excellent choice for storing food and beverages due to their durability, versatility, and eco-friendliness. PET, or polyethylene terephthalate, is a lightweight and shatter-resistant plastic that is widely used in the packaging industry. PET jars are not only convenient and easy to handle, but they are also sustainable as they can be recycled and reused multiple times without losing their quality. In addition, PET jars can be customized with different shapes, sizes, and colors to meet various packaging needs. Whether you're looking to store dry goods, liquid, or even cosmetics, PET jars are an ideal packaging solution that offers many benefits.

OUR PRODUCTS

• AIR BUBBLE ROLLS

Air bubble rolls, also known as bubble wrap, are a versatile and effective packaging material that can protect small to large fragile items during shipping, moving, and storing. These rolls are made of polyethylene and are lightweight, durable, and have good insulation properties. These rolls work by allowing a small amount of air to remain in the package, thus preventing objects from knocking into each other and causing damage. With its unique air-filled cells, bubble wrap protects products from shock and vibration damage. It is easy to use, and can be trimmed to fit any package size.

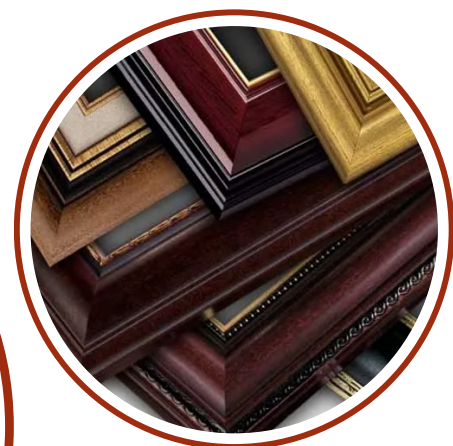

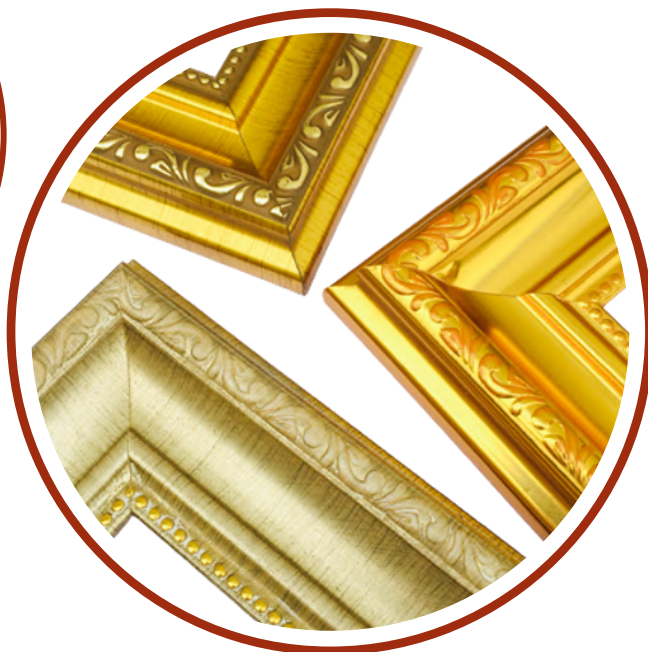

OUR PRODUCTS

- **PHOTO FRAME MOLDINGS**

Introducing our high-quality **Photo Frame Moldings**! Also known as picture frame molding, this product is a versatile and stylish way to add texture and charm to any room. Our moldings come in a variety of profiles and can easily be installed using a few simple steps, as outlined in . Our moldings are made of superior materials that ensure durability and long-lasting performance. Whether you are a DIY enthusiast or a professional carpenter, our moldings are the perfect choice for your next home decor project.

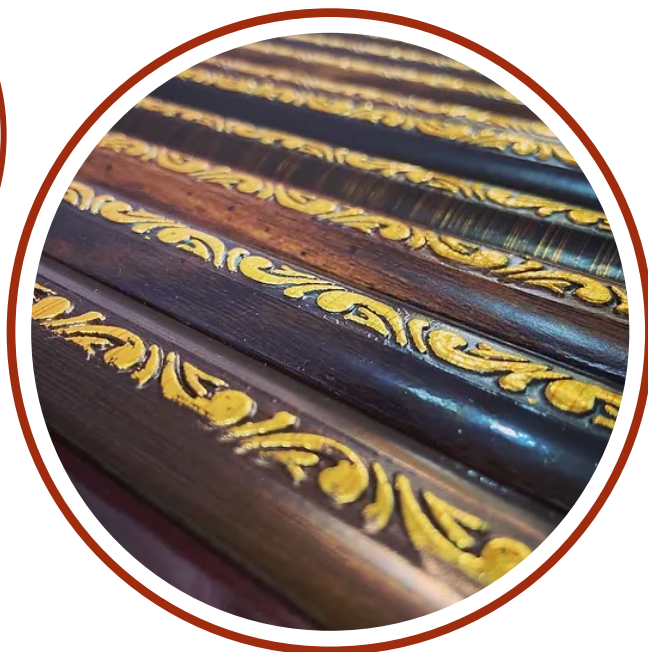

OUR PRODUCTS

- **WPC MOLDINGS**

Wood-Plastic Composites (WPCs) are a type of composite material made from wood flour and a thermoplastic resin. WPC moldings are an innovative and sustainable way to add texture and design to any room. They have improved mechanical, thermal, and processing characteristics compared to traditional thermoplastics. WPC moldings are a popular choice for homeowners and builders due to their durability, low maintenance, and eco-friendliness. They can be easily installed and come in a variety of styles and finishes to suit any design aesthetic. With the increasing demand for sustainable and long-lasting building materials, WPC moldings are a smart choice for any construction project.

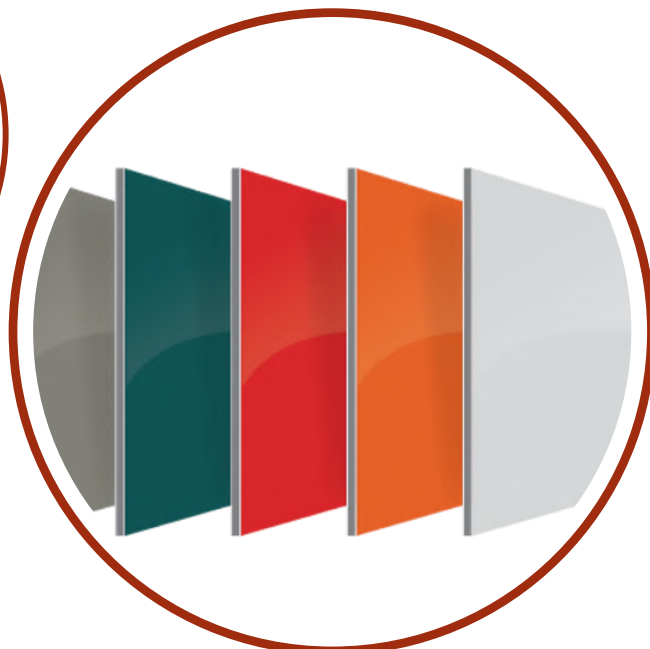

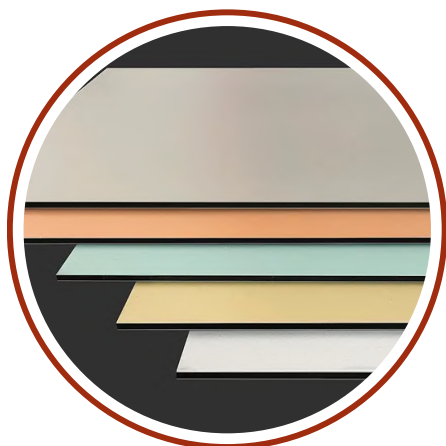

OUR PRODUCTS

- **ALUMINIUM COMPOSITE PANELS**

Aluminum composite panels, also known as ACP panels, have become a popular building material due to their energy efficiency, low cost, and versatility. They are made of two aluminum sheets and a thermoplastic base core that holds mineral charge. ACP panels are durable, strong, and weather-resistant, and can be recycled multiple times. They are versatile in terms of assembly, colors, and finishes, making them suitable for a wide range of architectural projects.

OUR PRODUCTS

- **PAPER CUPS & PLATES**

Welcome to our line of eco-friendly **paper cups and plates!** These products are perfect for any occasion, whether you're hosting a party, running a coffee shop, or serving food at a gathering. Our cups and plates are made from high-quality, sustainable materials that are both durable and compostable. With a variety of sizes and designs to choose from, you can find the perfect cup or plate for your needs. Say goodbye to wasteful single-use plastics and switch to our environmentally friendly paper cups and plates today!
